

Recreation District #1/Pelican Park

Pelican Watch

FROM THE DIRECTOR

The times, they are a changing....

The Park will celebrate its 30th anniversary this fall and I am not sure where the time has gone. The original volunteers, community leaders and coaches that dreamed of and made the Park a reality have watched their children grow up here. Some have left the community, but many of the children are now adults coaching their own children on the fields they played on 20 and 30 years ago. I have had the pleasure to

have been the Director for Recreation District #1 for the past 30 years. To be a part of making Pelican Park what it is today has been the greatest joy of my life. It has been tough, wonderful, joyful and so special to have had the opportunity to make a difference in this community and in the lives of children and adults. But, it's time for a change. The Board of Commissioners has begun a search for a new Director, as I will be retiring April 1st of 2020.

Talk about changes...

The Recreation District started with 1 full time employee in 1989 and we now have 36 full time employees. Amazingly, half of the employees have been with the Park for 10 years or more. These are the individuals who truly make a difference at this Park.

A special thanks to the visionaries, volunteers, coaches, parents, board members and staff that have helped over the past 30 years. Without them this Park would not be what it is today!

Don't forget, as you enjoy your summer, to register your children for fall sports. Registration is on-line and can be done 24 hours a day.

She is inspired by all of the successful events and knowing that the guests are making lifelong memories. Thank you Tracy for all that you do!

LIGHTING IMPROVEMENTS

Thanks to the Public Service Commission and especially Commissioner Skrmetta, the Recreation District received a grant to replace aged HVAC units in the lobbies of the 2 gyms, District offices and Castine Center with energy efficient units. The grant also included changing out all of the florescent lights in the Park, all roadway lighting and all sport lighting in the 7 gyms. The work will continue through the end of the summer with all the installations.

LOWERED TAXES

In 2019 the Recreation District #1 Board of Commissioners voted to lower their millage rate. The Board felt that it was important to always try to reduce the millage for the taxpayers. This coming year the District will assess a total of only 7.25 mils which is down .05 mils from the previous year. These millages pay for operational cost of Recreation District / Pelican Park / Castine Center.

PICKLEBALL

Pelican Park started offering gym space for Pickleball, the fastest growing sport in the country, in May of 2018. Pickleball is a great sport for all ages and abilities. It is a paddleball sport that combines elements of tennis, badminton, and table tennis. Two or four players use solid paddles made of wood or composite materials to hit a Wiffle Ball over a short net.

Participants are asked to bring their own equipment (rackets and shuttlecocks) to open play, though a limited number of shuttlecocks and rackets will be available to checkout for those who are new to the sport.

DISC GOLF

Disc Golf is a flying disc sport in which players throw a disc at a target; similar to golf but throwing a disc instead of hitting a ball. Players complete a hole by throwing a disc from a tee area toward a target which is called the basket. The player with the lowest number of total throws at the last hole wins. Come out and play a round, get some exercise, enjoy your family time and/or company and see what it's all about! If you don't have discs or Frisbees®, we have discs that we can loan to our district residents. Go to our website to find out more about our disc golf course or more park information at: PelicanPark.com

Pelican Play-up Policy

The Park no longer allows play-ups for leagues with combined age groups. This change is to keep with the philosophy that was set years ago by the Board of Commissioners that restricts three age groups, with the exception of high school age players, from playing together in the same league. The philosophy was established for player safety and development. This means that parents will not have the option to play their child up if the age group they are moving into already has two ages combined. (Example, a 10-year-old player could not move into the 11-12 age groups.) Play-ups to single age groups will remain a parent's choice.

Debit/Credit Card Information

Please note that when using a debit or credit card for youth sports registration, your card will be pre-authorized and your bank may place a hold on your account for the registration amount for 72 hours or longer for each registration you attempt. The Park has no control over how long your bank places a hold on the funds.

Refund Policy

Until team formation, refunds are given upon request less a \$5 handling fee. Between the draft and the second game, a refund request is not guaranteed. However, a refund will be issued during this time if a child from the waiting list accepts the open spot. When the waiting list child has registered, we will issue a refund to the child dropping from the league less the \$5 handling fee when the uniform, if already issued, is returned. After the second game of the season is played, we do not issue refunds for ANY reason.

Scholarships Available

The Park believes that all District children should be able to play sports regardless of their ability to pay. Should you need financial assistance with youth sports registration, please come in to our office and complete an application. Scholarships are available to District residents only and you must come in to our office to apply.

Secondary Medical Insurance

As part of your registration fee, Pelican Park purchases secondary insurance for your child for injuries sustained while playing in our programs. In the event of an accident or injury, you must contact the Park's office and complete an incident report. For more information, call the Pelican Park office at: 985-626-7997
