

Pelican Watch

FROM THE DIRECTOR

Baseball and softball season is always special to me!! I was very lucky to have been raised in a sports family and inherited my love of sports and recreation from my parents. They coached, hauled kids, ran leagues and worked concessions. Our family spent most nights and weekends at a baseball/softball field, volleyball court or basketball gym. Sports taught us life lessons, how to lose and still feel good, how to do

what you thought wasn't possible, the value of being a team player and how to just have fun. My parents used the time driving to games or practices as a time to talk with us, laugh with us and listen to us. Parents and coaches shape the experience their child has playing sports. Be a positive role model by avoiding yelling or making negative remarks, blaming officials for losses and to be overly competitive. Talk and listen to your children. Hug them and make it fun for your child and you will create for them the love of sports that will last a lifetime.

The First National Bank is the official bank of Pelican Park

Coca-Cola is the official drink supplier of Pelican Park

Pelican Play-up Policy

The Park no longer allows play-ups for leagues with combined age groups. This change is to keep with the philosophy that was set years ago by the Board of Commissioners that restricts three age groups, with the exception of high school age players, from playing together in the same league. The philosophy was established for player safety and development. This means that parents will not have the option to play their child up if the age group they are moving into already has two ages combined. (Example, a 10-year-old player could not move into the 11-12 age groups.) Play-ups to single age groups will remain a parent's choice.

Debit/Credit Card Information

Please note that when using a debit or credit card for youth sports registration, your card will be pre-authorized and your bank may place a hold on your account for the registration amount for 72 hours or longer for each registration you attempt. The Park has no control over how long your bank places a hold on the funds.

Refund Policy

Until team formation, refunds are given upon request less a \$5 handling fee. Between the draft and the second game, a refund request is not guaranteed. However, a refund will be issued during this time if a child from the waiting list accepts the open spot. When the waiting list child has registered, we will issue a refund to the child dropping from the league less the \$5 handling fee when the uniform, if already issued, is returned. After the second game of the season is played, we do not issue refunds for ANY reason.

Scholarships Available

The Park believes that all District children should be able to play sports regardless of their ability to pay. Should you need financial assistance with youth sports registration, please come in to our office and complete an application. Scholarships are available to District residents only and you must come in to our office to apply.

Secondary Medical Insurance

As part of your registration fee, Pelican Park purchases secondary insurance for your child for injuries sustained while playing in our programs. In the event of an accident or injury, you must contact the Park's office and complete an incident report. For more information, call the Pelican Park office at: 985-626-7997
