

Recreation District No. One of St. Tammany Parish

PELICAN PARK BASKETBALL CLINICS WINTER 2023 INFORMATION SHEET

1. Description

Our basketball clinics will teach basic basketball skills like dribbling, passing, ball control, and shooting. Our instructors will also emphasize the importance of teamwork when playing basketball. This is a great opportunity for your child to make new friends while learning to play and learning to love basketball!

The lead instructor for Pelican Park's basketball clinics is John Neill. John has mentored and coached hundreds of basketball players at Pelican Park, and he especially loves teaching these "Little Dribblers." John is also a member of our Pelican Park Board of Commissioners. John will be joined by numerous coaches and experienced players who are eager to guide and develop these young players.
