### **TEAM ROSTERS**

The team roster form must be turned in before playing in the **second** game. Any team that does not have their rosters turned in by the second game will not be allowed to play, and will not be allowed to register for the next session. Ideally, the team captain should turn the rosters / liability forms in at the same time that he/she is picking up the game schedules. If you bring the rosters and liability forms to the Castine Center office, you will be given a receipt. Pelican Park does not provide medical insurance for participants in our adult leagues. Insurance is the responsibility of the participant. Make sure that all players know this before playing. In the event that a player has not completed his liability form the team captain will assume responsibility in the event that the player is injured.

### **TEAM CAPTAINS**

The team captains are our primary contacts for each team. **PLEASE** include a **fax number and e-mail address** on your team application. In the event of any changes in schedules, tournaments, etc., only team captains will be notified. It is the responsibility of the team captain to make sure that their team roster and all liability forms from his/her team are filled out correctly, and turned into the office as a team and not separately.

### **ROSTERS**

EACH TEAM, INCLUDING OUR JUST FOR FUN TEAMS, MUST TURN IN A LEGIBLE ROSTER / LIABILITY FORM OF THE PLAYERS BEFORE THE START OF THE SECOND GAME. **THE ROSTER MUST INCLUDE EACH PLAYER'S COMPLETE NAME, ADDRESS, AND TELEPHONE NUMBER.** All team members that participate in over 35 basketball, recreation basketball, recreation softball and competitive softball **must have a photo I.D. available to present at the start of each game for roster verification.** This should eliminate any illegal players and gives us the information needed if we should have to contact a participant.

***No players may be added to the roster after the fourth game of the season for competitive leagues. The Just for Fun Leagues may add players at anytime. The player must fill out a liability form to be added to the roster.*** Make sure that that all information at the bottom of the waiver is complete, including team name.

### **INCIDENT REPORT**

In the event a player is injured, staff should be notified @ 966-6645 and an incident report form from the game bucket must be filled out. The completed form will need to be returned to the bucket or scorekeeper before the team leaves the field/court and dropped off at the gym office, or dropped in the Castine Center night drop box.

### **RULES**

A copy of the rules can be found in the game buckets for each league. Any rule not listed on the sheet will fall under the designated Association rule (i.e. ASA, LHSAA)

### **SPORTSMANSHIP**

Good sportsmanship is stressed at all times. Teams that are rude, obnoxious, or harassing to spectators, officials, or staff will be reviewed and possibly banned from the league.

### **MINIMUM NUMBER OF PLAYERS REQUIRED TO START**

- Basketball-3 to start
- Softball- 6 to start
- Volleyball-4 to start
- Cabbageball-6 to start

### **UNIFORMS**

All competitive leagues are required to have like color shirts with numbers. Just For Fun and recreation leagues are not required to have uniforms but are suggested.

## **MAKE-UP GAMES**

Make up games may be scheduled on days other than regularly scheduled games or doubleheaders may be added to a game night. Field availability may dictate either Saturday or Sunday for make-up games. Every attempt will be made to make up games. However, field availability and season duration will determine if games will be made-up.

## **SCHEDULES**

Schedules will be available at the captains meeting on Monday May 17<sup>th</sup> for anyone who attends. The schedules can be picked up at the Castine Center office Monday-Thursday from 8am to 6pm or on Friday's from 8am – 5pm. They may also be faxed upon request. Schedules are also posted on our website at [www.pelicanpark.com](http://www.pelicanpark.com).

## **FOR LEAGUES WITH OFFICIALS**

Included in each packet are referee/ umpire evaluation forms. Please fill these out completely if you choose to evaluate an official. Evaluation forms will also be in the game buckets. We must have proper documentation in order to retrain or compliment an official. Please fill out the form completely and either place in the game bucket or drop in the night box at the Castine Center. The sooner we can address the issue the better. Writing comments in the score books are not documentation of an official's ability, a form must be completed. **Verbal confrontations with officials will not be tolerated. Any player ejected for a game by an official for any reason will serve a one game suspension. Two suspensions in one season will result in the player being dismissed from the league.**

## **FIELD/COURT EVALUATION FORMS**

We care about your safety. If you notice an unsafe condition please fill out a field evaluation form and return it to the office. Once the problem is identified it can be repaired. We do our best to keep the fields and courts in the best condition possible and your help/input is always appreciated. A facility evaluation form is included in this registration packet.

## **FORFEITS**

If a team **forfeits two or more games** in a season they may be excluded from the remainder of the season; will be excluded from participating in the tournament and will not be allowed to register for the next season. The number of games is limited and the opposing team is unfairly penalized if a team forfeits. Team captains are **required** to notify the office and the opposing team if they have to forfeit a game.

## **INTERESTED PLAYERS**

If you are in need of players the office has a list of people who are interested in joining a team. These are usually newcomers to the area that have played sports for a number of years.

## **TIE BREAKERS (FOR COMPETITIVE LEAGUES)**

In the event of a league tie the following will be used to determine tournament seeding:

- Head to Head competition
- Total # of points scored between the tied teams
- Blind draw

## **ALCOHOLIC BEVERAGES**

Pelican Park is a non-alcoholic facility. Teams cannot bring alcohol to the fields, dugouts, courts or bleachers. Any infraction of this rule will result in immediate dismissal from the league. There will be no warnings given.
