The Directors 2020 State of the District Report

Thanks to continued growth in the area, good planning, dedicated staff, board of commissioners, and good fiscal management, the Recreation District remains in excellent financial shape.

Staff:

- The District currently employs 38 full-time personnel and 30+/- part-time personnel who are tremendously dedicated and fiscally responsible. Of the 38 full-time employees, five have been with the District more than five years; 11 more than ten years; three more than fifteen; and four with more than 20 years!
- In the 2021 budget, we propose to fill four full-time positions and two part-time positions: Assistant Park Superintendent, Recreation Supervisor, two Park Laborers; a part-time Accounting person and one part-time Naturalist.
- Cindy's attention to detail and knowledge of our financials has helped to save the District \$25,000/year over the next eight years in re-financing our Bond!
- Kia and Niki have worked diligently to help bring our IT and phone services into the 21st century! We will continue to work to bring the entire park operations, including concessions, online in 2021.
- Traci and her team implemented necessary safety measures to allow the District's sports and program activities to continue when many other agencies cancelled theirs.
- Doug and his crew continue to preserve the District's exemplary image of park and facility maintenance.
- Special thanks to Tina and Tracy who have pitched in to help other departments when they are slow.

Operations:

- The District engaged with a new IT service in order to maintain our high standards of security and protection of our assets as well as our consumer's assets.
- The District completed a Maintenance Management Plan which will help guide the maintenance budgeting process for the next five years and beyond.
- The District, has engaged the architectural services of RCL to upgrade the Castine Center in 2021.
- The District's 2021 budget includes an increase in our printing budget to allow for the mailing of the newsletter to a majority of our residents.

Castine Center:

- The District hosted many wonderful events through March and have held some smaller events since;
- Government restrictions, due to COVID have created challenges for rentals well into 2021, thus effecting rental and revenue receipts;
- District Leisure classes held in the Castine Center have also been limited;
- The District added CASPR air filtration systems to the Castine Center;

Recreation District #1 is a free standing governmental agency. The District is supported by a property tax paid by the residents and businesses within the Recreation District. The general boundaries of the Recreation District are Lake Pontchartrain on the south side, the Tchefuncte River on the west side, Big Branch on the east side and Three Rivers Road on the north side. The District, which operates Pelican Park, is under the Direction of a 7 member Administrative Board and staff.

Facilities:

The District completed many projects in 2020 including:

1. The completion of Phase 1 SEEP program which consisted of New energy efficient lights at Orange 1, 2, and 3; Green 4; Grey East, West 2; A/C in the Brown and White Gyms and five units in the Castine Center; all building, parking lot and roadway lighting;
2. Lights are in for SEEP Phase 2 and installation will begin in January;
3. We applied for SEEP Phase 3 monies;
4. Rebuilt all six dugouts at Blue;
5. Replaced the ceiling and wall pads in Brown; also, resurfaced the floor, replaced the gutters and exterior skin and complete renovation of the entrance;
6. Repaved the parking lots at Brown and the Castine Center and added a parking lot behind the brown gym to service patrons who use the Groves;
7. Castine Center gutters replaced; Replaced one of the two main A/C Chillers
8. Renovating the old maintenance facility into an open-air pavilion within The Groves; adding picnic tables, bathroom, ceiling fans, and 40ft counter;
9. Added agility equipment to the Bark Park;
10. Ordered a Shade Structure to be installed over the adult exercise equipment;
11. Added Poured-in-Place playground surfacing under the playgrounds at Green and Blue and the adult exercise equipment;

Programs:

The District implemented two new special events and have many planned for 2021. The Inaugural Car Show and Fall Fest became immediate sensations with our residents and visitors alike! These joint efforts between all departments showcase the Park and staff's awesome programming abilities;

The Park is looking forward to our 2021 special events which will include:

1. Fishing Rodeo
2. Mutts and Milkshakes
3. Movies in the Park, to name a few;

CRUISIN' THE CASTINE CAR SHOW 2020

The District is preparing new educational and enrichment opportunities for youth and adults in 2021. Including, but not limited to:

1. A new take on Open Gym;
2. Country Line Dancing;
3. Home School programs pertaining to Physical Ed. & STEM
4. Adult and youth cooking and language classes, etc.;
5. Self-defense and exercise classes;
6. Mah Jongg and other game sessions;
7. Environmental education programming;

FALL FEST 2020

Out of the Ordinary!

- Though no one wants to talk about this, we would be remiss if we didn't mention COVID – 19. Due to the pandemic, the District offices were closed for two months. Although the Park was able to remain open for family recreation, all organized activities were cancelled during this shut-down period. The District had just begun its Spring season of activities when the shut-down occurred, so we resumed those activities once we were permitted to re-open. We cancelled the entire Summer session and the remainder of the year has been operated under strict government mandated guidelines.
- Five hurricanes headed the District's way with minimal damages to park property.
- Lastly, after 30 years, the District's original Director, Kathy Foley, retired and I was hired January 2, 2020 as the Executive Director.

The District continues to serve their taxpayers to the highest level possible with more than one million annual visitors. It has been my honor to uphold the ethical and fiscally responsible manner in which the District has been operated for the past 30 years and it is my hope to serve for many years to come.

In appreciation,

Margie Lewis
Executive Director

STAFF SPOTLIGHTS

ERIKA LEHRMANN
RECREATION SUPERVISOR
LEISURE PROGRAMS AND EVENTS

Erika Lehmann is the Recreation Supervisor who currently oversees all Leisure Programs and Special Events for Recreation District #1. Like her job duties, Erika enjoys the fun things in life. "My happiness stems from creating happiness for others and I think my role at Pelican Park does just that. Whether it's learning a new pastime or participating in one of the Park's many events, it all comes back to creating an enjoyable atmosphere and experience for our patrons." Erika has been with Pelican Park for roughly six years, becoming fulltime in 2017. She and her family moved to the Northshore following Hurricane Katrina in 2005. Originally a Chalmation, Erika now lives in the Mandeville area with her Mom- Veronica, Dad- Ric, and Sister- Rachel. You've likely seen them volunteering at one of our Special Events. In her down time, Erika enjoys putting her Master of Fine Arts degree to use with painting and drawing or fixing up her '68 Camaro. When asked about what the future holds, Erika was quick to respond with "More special events and new types of programming. Pelican Park prides itself on providing vast amenities while serving our community. I want to be a part of that and make sure it continues to grow."

Catherine Barbier is part of the Front Office team. She started working at the park on a temporary basis and was hired after 6 months. Catherine celebrated 5 years working at Pelican Park in August 2020. She enjoys working with the public registering children for sports and adults and kids registering for leisure programs. She says the best part of her job is the relationships she has made with the ladies that come to classes and seeing the excitement of the kids when they come in to register for a new sport. Catherine has lived in St Tammany since 2005 and enjoys all the Parish has to offer. She recently started canoeing with her husband on local rivers and was surprised at how relaxing it is. Catherine will be celebrating her 23rd wedding anniversary in February. She has one daughter and 2 grandchildren, Hadley, 8 and Oliver, 5 who are the light of her life. She is excited to see the new projects going on in the Park and is looking forward to seeing the park grow and become something the community will enjoy for generations to come.

RICKY FORSTER
MECHANICAL SPECIALIST
PARK STAFF

Ricky Forster has been a great addition to the Pelican Park team for almost 11 years. He started as part of the Park Crew and is now over the maintenance and mechanics of all of the Park's equipment. His responsibilities include 4 Park vehicles, 8 different types of tractors, 16 mowers and he also runs errands outside of the Park when needed. Ricky also looks after our second dog park called, Pretty Acres, that is in Covington. His favorite part about his job is that, "It can be very challenging, but rewarding and the personnel is the best to associate with." Ricky originally lived in New Orleans and moved to Slidell in 2006. When he is not working, he is an avid Saints fan and enjoys working around his house and watching movies. His proudest moment working for Pelican Park was, "Seeing the Park grow in size and amenities over the past 11 years. Ricky is inspired by doing the best he can at his job and make every day worthwhile. His quote for the future is, "To keep contributing to the continued growth of the Park."

HAVE YOU EVER ATTENDED AN EVENT AT THE CASTINE CENTER?

If you grew up around here, more than likely you hold many eventful memories of the Castine Center. Perhaps you attended your first Kids Day Expo and met Humphrey the camel, or, you may have had your first dance with your future husband or wife at High School Prom.

While 2020 affected us in ways we never thought we'd experience, there is light at the end of the tunnel with a promising vaccine. This means we will be able to get back to normal and host the events we've all come to know at the Castine Center. However; until the day mandates and phases are a thing of the past, if you would like to host an event, but are not sure of current restrictions; you can call one of the Castine Center's Event Supervisors. They can help you with maximum capacity questions, different layouts to accommodate social distancing and much more.

Call Tracy Roskens or Tina Massel at 985-626-7997 or email, tracyroskens@castinecenter.com or tinamassel@castinecenter.com.

Castine Center

White Gyms

Brown Gym

Recreation District #1 is always thinking about the safety of our patrons and guests. This year with all of the changes and uncertainty, the District believed that safeguarding our patrons was a top priority. Natural Disinfection Solutions, LLC installed an amazing new air sanitizing system in our Castine Center, Brown Pelican Gym and White Pelican Gym. This system goes by the name CASPR-Continuous Air & Surface Pathogen Reduction – and it kills 99.96 percent of all pathogens that live on surfaces and in the air. Nearly 30,000 square feet of the Castine Center was upgraded to include this equipment in the existing ducts of the HVAC system. How does it work? CASPR converts oxygen and moisture into hydrogen peroxide, which is then released into the air to attack any pathogens present. The level of hydrogen peroxide is not harmful, but is enough to make the Castine Center safer and is helpful in the fight against COVID-19, mold, odors, bacteria and more. It's not a new science and has been proven in hospitals, food processing plants and airports. The Castine Center had six units installed in key areas around the Center at a cost of \$15,450. Recreation District #1 has recently installed these CASPR units in the at both the White and Brown Pelican Gymnasiums as well as the concessions and foyers. You can't see them doing thier job, but it is working hard while our children are working hard on the courts and learning new skills and their families are supporting them from the stands.

The Castine Center is the largest Public Event Building in St Tammany Parish. It serves the community in a multitude of ways!

Pelican Park's Play-up Policy

The Park does not allow play-ups for leagues with combined age groups. This policy is to keep with the philosophy that was set years ago by the Board of Commissioners that restricts three age groups, with the exception of high school age players, from playing together in the same league. The philosophy was established for player safety and development. This means that parents will not have the option to play their child up, if the age group they are moving into already has two ages combined. (Example, a 10-year-old player could not move into the 11-12 age groups.) Play-ups to single age groups will remain a parent's choice.

Debit/Credit Card Information

Please note that when using a debit or credit card for youth sports registration, your card will be pre-authorized and your bank may place a hold on your account for the registration amount for 72 hours or longer for each registration you attempt. The Park has no control over how long your bank places a hold on the funds.

Refund Policy

Until team formation, refunds are given upon request less a \$5 handling fee. Between the draft and the second game, a refund request is not guaranteed. However, a refund will be issued during this time if a child from the waiting list accepts the open spot. When the waiting list child has registered, we will issue a refund to the child dropping from the league less the \$5 handling fee when the uniform, if already issued, is returned. After the second game of the season is played, we do not issue refunds for ANY reason.

Scholarships Available

The Park believes that all District children should be able to play sports regardless of their ability to pay. Should you need financial assistance with youth sports registration, please come in to our office and complete an application. Scholarships are available to District residents only and you must come in to our office to apply.

Secondary Medical Insurance

As part of your registration fee, Pelican Park purchases secondary insurance for your child for injuries sustained while playing in our programs. In the event of an accident or injury, you must contact the Park's office and complete an incident report. For more information, call the Pelican Park office at: 985-626-7997

BOYS AND GIRLS 5 & 6 T-BALL

Pelican Parks 5-year-old Boys T-Ball division, 6-year-old Boys Coach Pitch division, and the girls 5/6-year-old T-ball/Coach Pitch Division is the perfect youth sports for getting kids started in the game of baseball and softball. It helps develop baseball/softball skills without exerting too much pressure on young players, keeping the game safe, and allowing them to have lots of fun.

Pelican Park's 5 & 6-year-old leagues are a non-competitive league which strictly for the development of the players in a non-competitive atmosphere. There are no scores or standings kept in these age groups. All players play each inning, both offensively and defensively. The players will progress each year with the rules, for example the 5-year-old age group will not clear the bases on an out but the 6-year-old age group will clear the player off the base only if the player is thrown out. This will hopefully help the players understand the game better each year by introducing a new concept to the game of baseball.

The girl's 5/6-year-old league plays t-ball for half of the season and coach pitch for the other half of the season. Both the girls' and boys' leagues will play with a safety softball.

- Boys must be 5 years old by 4/30/21. **NO EXCEPTIONS**
- Girls must be 5 years old by 12/31/20. **NO EXCEPTIONS**
- No Evaluations are held for 5 & 6's
- Pre- Season Practices begin for the 5 and 6-year-old leagues the week of April 5th, 2021. Regular season practices may be scheduled by the coach during the week but will have 30 minutes prior to each game time for practices.
- Season games begin on Saturday, April 26th, 2021 and end late / end of June.
- Games will be on Saturday only through the end of the school session and then one weekday and one Saturday game.
- 8 game season, no tournament

Registration Fees		
Age Group	District	Non-District
5/6 yr old Girls	\$56.00	\$106.00
5 yr old Boys	\$50.00	\$100.00
6 yr old Boys	\$52.00	\$102.00

ADULT SPORTS INFORMATION

PELICAN PARK ADULT SPORTS TEAM REGISTRATION INFORMATION

Pelican Park offers a variety of adult sports to serve our community. The purpose of the leagues is to provide an outlet for adults to continue to play their favorite sport, have fun, stay fit, and to socialize.

The Park offers three (3) levels of play for the adult leagues...

- **Just For Fun level** – these leagues have no officials with open rosters throughout the duration of the session
- **Recreation level** – these leagues have officials with open rosters for throughout the duration of the session
- **Competitive level** – these leagues have officials, locked rosters, tournament and awards.

Registration is done by teams only for adult sports; however, individuals may call the Park and have their name added to a list of interested players. If enough individuals call to make a team, the Park will assist them in forming a team.

Park Tournament and Equipment Drive

PELICAN PARK WILL HOST THE 2021 INTERNATIONAL BOYS & GIRLS BIDDY BASKETBALL TOURNAMENT

Pelican Park is excited to announce that we have been asked by Biddy Basketball to host the 2021 International Biddy Tournament, the week of March 19, 2021.

This tournament will host teams from Pennsylvania, New Jersey, Indiana, Kansas, Missouri, Texas, Florida, Louisiana, and Finland. Pelican Park will have postseason tournament teams for boys and girls, ages 8-12 years of age.

Not only will this tournament be gratifying for local recreation, it will also generate a huge economic impact for St. Tammany Parish and other surrounding parishes. We anticipate that every hotel room in St Tammany Parish will be utilized during the week-long tournament duration.

With an estimated 100+ teams traveling to our facility,

**Pelican Park is proud to be the
2021 International Biddy Tournament's chosen destination.**

PELICAN PARK IS HAVING A SPORTS EQUIPMENT DRIVE! FOLLOWING HURRICANE LAURA

When a disaster strikes close to home and everyday life has been disrupted, everyone's initial instinct is to find a way to help. From past events, like Katrina, we have learned that the stress of rebuilding can take a toll on the health of those suffering families. Pelican Park, with your help, is here to provide mental and physical stability to those affected in the wake of Hurricane Laura.

~COMMUNITIES HELPING COMMUNITIES~

We ask that you join us in providing gently or lightly used equipment to the areas affected by the recent disaster, Hurricane Laura. By gathering replacement equipment, we can create an environment of relief on the court, on the field, or in the dugout. Help us provide a sense of relief and normalcy to those in dire need. Following complete devastation, chances are that recreational equipment will be the last items to be replaced. Let us help the families and their children get back to what they do best,... PLAY! We know all too well how this kind of disaster affects families and we want to help get these communities back to some sort of regularity.

We will be holding a gently used sports equipment drive to help get these kids back on the courts and fields in the months to come. Please go through your attics, closets, homes and garages, to donate any sports equipment no longer used, so we can help rebuild other recreation departments.

Here is a list of items you can drop off at the office or gyms...

- Baseball gloves, bats, baseballs, catcher gear, batting helmets, bat bags, cleats
- Softball gloves, bats, softballs, catcher gear, batting helmets, bat bags, cleats
- Footballs, shoulder pads, pants with pads, new mouthpieces, cleats, practice jerseys
- Flag Football flags
- Basketballs, pennies/ practice jerseys
- Soccer balls, cleats, shin guards
- Tennis rackets, tennis balls, Pickleball paddles & balls
- Volleyballs, knee pads
- Lacrosse sticks, helmets, lacrosse balls, chest protectors, goalie gear
- Disc Golf discs
- Miscellaneous Items: new whistles, stopwatches, cones, conditioning apparatuses, air pumps, yoga mats, sideline markers, wiffle balls,

How to set up a new Pelican Park family account in 6 easy steps

Programs

- 1) Go to our website www.pelicanpark.com, once there, click on the "Log In" button on the green header, this will bring you to the log in page where you will have the choice to log into your existing account or set up a new account.
- 2) Click on the "Create New Account" button. Here you will enter you first and last name, your primary phone number and your primary email address. You can not set up an account without all of these boxes being filled out.
- 3) You will then be asked to fill out your personal information. If you are a parent setting up an account for a child you must mark yourself as the **Head of Household** in order receive emails about this account. Please make sure to fill out all of the information requested including emergency contacts, these are the people we would call in the event you or your child had an emergency while in the park. All boxes with a red * by them will need to be filled out in order to complete setting up your account.
- 4) Tips for setting up a user name and password: Make sure to make your user name something you will remember; you can also use your email address. Your password must contain 7 characters and include numbers, upper case letters and/or a special character. Try not to use common passwords and make sure to use something you will be able to remember.
- 5) You can add other household members to your account (spouse, children) by clicking the "Add Household Member" button on the left side of your screen. Please make sure to add the emergency contact information when adding anyone to your account.
- 6) Your account will need to be approved in order to register for classes or sports. You will receive an email requesting documents which may include your proof of residents and birth certificates; this could take up to 24 hours. Your account will be PENDING APPROVAL until you send in the requested documents.

Did you know?

Did you know.... That Pelican Park operates its own concessions and all revenue generated goes back into the operating funds? Money made from the sale of concessions is put right back into the Park. Did you know... that in 2019 we sold almost 12,000 boxes of popcorn? That's about 3,500 ears of corn! Our hot buttery popcorn is only \$2.00 a box and is the perfect snack for watching the game.

Did you know... Pelican Park proudly sells only Coke products? Last year the park sold over 34,000 drinks including Coke, Diet Coke, Sprite, Dr Pepper, Powerade and Dasani water.

Did you know... that concessions are conveniently located at each complex and offer a variety of snacks to satisfy all your snacking needs? We sell candy, hot dogs, pretzels, peanuts, nachos, sunflower seeds, and Frito Lay chips.

Did you know... that we are constantly introducing new products to our menu? This year we tried out Frito Pies, Cracker Jacks and most recently cotton candy! Let us know if there is something you would like to see on the menu.

Did you know... our concession stands are a great place for teens to start working? The park is always looking for young adults to join our team. We offer evening and weekend hours, if you know of someone who might be interested please have them come into the office and fill out an application.

Did you know... Pelican Park serves as a vital part of the community? The Park is 550 acres and consists of 32 athletic fields, a 3 court gym, a 4 court gym, the 46,000 square foot multi purpose Castine Center, paved roads, walking trail, dog park, batting cages, sand volleyball courts, 18 hole disc golf course and parking for over 1,700 vehicles. In 2019 we had a grand opening of a \$1.6 million dollar renovation of the old Green 5 baseball field that is now called The Groves. This newest addition to the Park is sure to be a great place for families, fun and exercise for generations to come.

PELICAN PARK OFFERS SO MANY GREAT FAMILY ACTIVITIES

OUR 2 DOG PARKS

We have 2 dog parks for your furry family members to enjoy. Pretty Acres Dog Park is on Andrew Drive off of Hwy 190 in Covington and our Bark Park is at Pelican Park. The Bark Park has 2 separated fenced in areas, one for small dogs and one for large dogs. Come out and make some new friends.

PLEASE MAKE SURE TO READ ALL OF THE POSTED RULES BEFORE ENTERING THE DOG PARKS. OWNERS ARE RESPONSIBLE FOR THEIR DOGS BEHAVIOR.

DISC GOLF

The nice fall weather will be coming soon and Disc Golf is a perfect way to get the family out and enjoy time together. Disc Golf is a sport that uses discs, similar to golf, but throwing a disc instead of hitting a ball. Players complete a hole by throwing a disc from a tee area toward a target which is called the basket. The player with the lowest number of total throws at the last hole wins. Go to our website to find out more or more park information at:
www.PelicanPark.com

SKATE PARK

The Pelican's Nest Skate Park is located at the north end of Pelican Park and is recommended for all ages and abilities. Lights are provided for night riding as well.

DAILY HOURS: 7am-9pm

Bikes are permitted at the skate park during the following times:

- Tues & Thur, 7-9 p.m.
- Sat- 7-9 a.m.

DURING THESE TIMES, THE SKATE PARK IS FOR BIKES ONLY (NO SKATEBOARDS OR SCOOTERS). HELMETS, KNEE PADS AND ELBOW PADS ARE STRONGLY ENCOURAGED.

PICKLEBALL

Pelican Park's 8 outdoor Pickleball courts are the first of their kind in St. Tammany Parish. Open Play is available on a first come, first served basis, seven days a week, excluding the times scheduled for park programming, facility rentals, and tournaments. The courts are lighted for evening play hours.

Please make sure to sanitize your hands and equipment frequently and make sure to bring your own pickleball equipment. During this time, we are not loaning out shared equipment.

ADULT EXERCISE

The Groves features 9 outdoor fitness machines made by Greenfield Exercise Equipment. The equipment consists of machines that develop stamina, upper arms and body, legs and lower body as well as overall conditioning. The machines use your body weight for resistance. The Groves is a great place to get a workout in while the kids practice. Combine it with our walking trail and have a great time during your workout.

Please make sure to sanitize your hands and equipment before and after use.

SOCCER

Recreation District #1 has granted Mandeville Soccer Club an exempt status which allows us to work together to provide this community with one of the best soccer programs in the South. The District provides the fields, painting of the game lines, goals and turf care at no cost to Mandeville Soccer Club. MSC handles all aspects of the administration of the soccer programs which includes registration, team formation, coaches, schedules, training and much more.

Parker the Pelican is hiding in this newsletter. Can you find all 10 Parkers?

Fun Facts about Sports

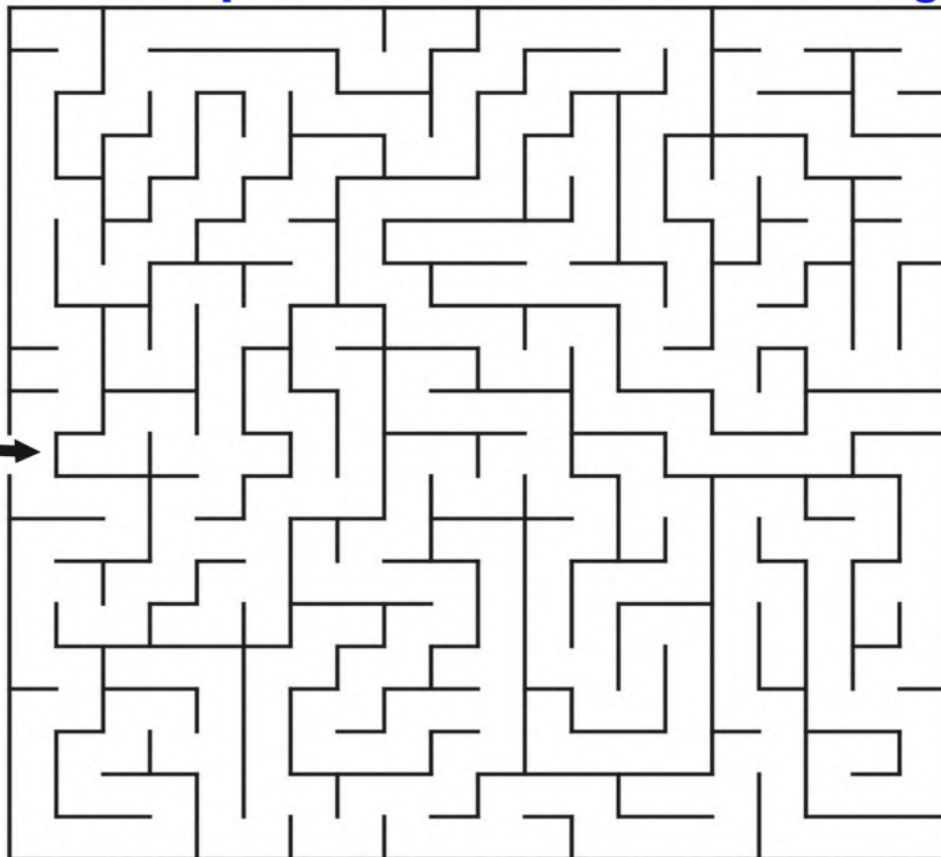

- ~The tallest basketball player, Manute Bol at 7'7" and the shortest player Muggsy Bogues at 5'3" played on the same team in 1987-1988.
- ~The first volleyballs were the bladders of basketballs until Spalding Company invented a separate volleyball in 1898.
- ~The first basketball backboards were made of wires and basketball hoops were peach baskets without a bottom.
- ~The fastest volleyball serve has been clocked at 83.3 mph, by Gyorgy Grozer.

Parker and our Pelican Park staff want you to have fun while playing sports with us, but we also want everyone to be safe!

Before heading out to the Park, have your child wash their hands with soap and water for 20-25 seconds, (Have them sing "Take me out to the ball game,") before heading to the Park. Once arriving use the provided hand sanitizer before entering the gyms or facilities and have them wash their hands again when your games or practices are over. Remind your kids to not spit and always cover coughs and sneezes with the inside of their elbow. Washing or sanitizing their hands immediately after a sneeze or cough is important too. We know it's exciting to run in and start playing sports with your friends, but safety is very important to makes sure your children and friends are being safe. Make sure you also warm up your muscles before playing to make sure you don't have any injuries as well. Once you follow these steps you are ready for some fun!

Can you help Parker the Pelican find his way through the maze so he can practice before his basketball game?
