

YOUNG ADULT (16-18) VOLLEYBALL

Pelican Park is offering a new opportunity for our Young Adults ages 16-18, in the form of open league sports. The purpose of this OPEN LEAGUE is to provide an outlet for our teens and young adults ages 16-18 to continue to play their favorite sport, have fun, stay fit, and to socialize. The Park will be offering an inclusive Just for Fun level league for men and women. This league will have no officials with open substitutions to existing rosters throughout the duration of the session.

The way this league is formatted allows for our young adults to form their own teams consisting of whoever they want. The registration process will be similar to our youth sports however, there will be option for you to type in which team your child wishes to play on. Players will be required to communicate with each other in determining a team name prior to registration. Pelican Park will then use this information to place players on the proper team roster or submit eligible players to be combined under the Open Roster option.

This league is for teens/young adults 16-18 years of age.
