Pelican Park Sponsorship Opportunities

The Park offers four sponsorship tiers, which are outlined on page 7.

Sponsorships are available for field complexes, gymnasiums, dog parks, and more!

Annual sponsorships start at only \$2,000 per year.

Why Become a Pelican Park Sponsor?

First, a little history The primary – and almost exclusive – funding source for the operation of Recreation District #1/Pelican Park (RD1/PP) is property tax millage. The first property tax millage was overwhelmingly approved by district voters in 1988.

The tax dollars allocated to RD1/PP are limited to use for construction and maintenance of the facilities and operations for the recreation district. Over the last 15 years, the RD1 Board of Commissioners has consistently reduced the millage rate for taxpayers while maintaining the quality of its facilities and programs.

The mission of RD1 has expanded significantly since its inception in 1986. In an effort to offer even more indoor and outdoor recreational activities for all ages, the Board, in 2019, approved a comprehensive sponsorship program that would 1) raise additional funds to invest in RD1/PP and 2) provide significant marketing opportunities for businesses that wish to show their support to RD1/PP, the residents the district serves, and the more than 1 million annual visitors to Pelican Park.

Where does the sponsorship money go? The funds raised through the sponsorship program allows RD1/PP to invest in additional activities, programs, events, projects, and facilities that would not be possible through the dedicated tax millage alone. **All sponsorships support the Park's guiding principles, which are to:**

- **serve all community members regardless of age or ability.**
- **provide the best recreational and sports amenities in St. Tammany Parish.**
- **offer open, passive recreation areas for a nearby respite from stressful urban life.**
- **sustain the variety of leisure programs and self-improvement classes offered to the public.**
- **respond to new public recreation demands and trends.**
- **foster awareness and understanding of the importance of environmental conservation.**
- **provide interactive educational opportunities for children and adults through festivals and events.**
- **establish a master plan framework for future programming and facilities.**

About Pelican Park Pelican Park serves the residents of Recreation District #1 in St. Tammany Parish and visitors from all over the country. The boundaries of RD1 stretch from Big Branch on the east side to the Tchefunte River Bridge in Madisonville on the west side, and from the foot of the Lake Pontchartrain Causeway to well north of I-12 toward Three Rivers Road. Currently, there are approximately 75,000 residents within the boundaries of the District.

Exclusive Naming Rights

There are more than 1 million unique visits to Pelican Park each year. Exclusive naming rights – be it for the Castine Center or one of the Park’s numerous field complexes or other amenities – puts your organization’s name in front of thousands of Park visitors each week. In addition, this opportunity aligns your organization with Pelican Park’s mission – making a difference in the lives of children and adults – thereby showing your commitment to community, healthy lifestyles, and a superior quality of life for residents of the greater Mandeville area.

EXCLUSIVE NAMING RIGHTS

Naming rights sponsors receive the following for their commitment to Recreation District #1/Pelican Park:
